Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative contacted examiner to discuss the restriction requirement. Examiner noted that applicant did not make an election to the last restriction requirement. Applicant's representative noted examiner response, but appeared that applicant's representative does not intend to elect a group identified by the examiner. Examiner noted that a non election response to a restriction requirement would be considered non responsive. Examiner did not agree to any alternative election.
